### General Manager/Director of Golf

It's hard to believe that we are almost half way through the year. Our Men's Invitational is just around the corner. This is our showcase event of the year and a lot of fun. Call the golf shop and sign up as it's filling up fast. The bunker project is almost complete and is turning out beautifully. Joe and his crew have done an amazing job getting them ready and the redesign on #7 and #5 turned out great. Men's team play starts this month and we will be paired with Copper River, Fort Washington, and Kings River. These matches take place on Thursday afternoons and are a lot of fun. Please remember that as the days get longer that carts need to be returned by dusk which is defined as 30 minutes after

sunset. Financially the club remains in solid shape and our membership is full. The solar project continues to be a huge benefit for us financially and is operating perfectly. I'm still seeing lots of unrepaired divots and ball marks on the golf course. Please take that extra minute to fix an extra mark on the green or fill in a divot that might not be yours. I hope to see everyone out as the course is in fantastic shape and the weather couldn't be better.

Good Golfing,

*Paul Wightman*  
General Manager

## On the Course

The Back 9 Greenside Bunker white sand replacement project update:

Numbers 10, 11, 12, 13, 14, 15 & 16 are completed. Currently working on 17 & 18.

We will be solid tine aerating the greens on June 3 and continue this monthly throughout the summer months.

We have made an application of slow release fertilizer to the fairways. Also, we have applied seed head suppression to the Greens, for a smooth putting surface.

Our tree trimming company will be pruning the Mulberry trees along the right side of #6 fairway.

Good Golfing,

## Café

Greetings...

As we close out the month of May, which has been fairly busy for us here at the club, we now move into June preparing for a strong Summer.

We have had several successful events and Tournaments as well as our Friday Night dinners paired along with the "Nine, Wine & Dine" group which made for a full house.

Our Mother's Day Brunch was a hit! We had the opportunity to celebrate and honor a good number of Mothers who visited with us ... to the tune of approximately 300 guests for all our seating's, and we will close out the month with our Sr. Championship Tournament on Friday.

As we prepare for June we also are

preparing for our annual Kings Country Club Invitational...We look forward to a great membership turn out...

One note of interest, as a result of the Invitational we will be featuring our Friday Night dinner only on June 28<sup>th</sup>. one time this month. Reservations can be taken at the Café. We have an addition to our team in the café, please join me in giving a warm welcome to Caleb Araujo, a local fella who will join us in our quest to be of service to the membership...stop by and give him a warm welcome...until then I'll see you around...
