Kings and Tulare County Police Academy Advisory Board

California Peace Officers Association (Member at large, past Region
Chair)

Dear fellow Kings Country Club Members,

My name is Jake Hower and I'm seeking your support in the upcoming Board of Directors election. I have only been a member for two years and enjoy every second I get to spend at the club. I graduated from Fresno State and was part of the Bulldog Baseball Team that Captured the College World Series. I know how important team work is on a Board. I'm currently a commercial real estate appraiser in Hanford. My job gives me the flexibility to be available for all requirements that come with being a Board member. As a younger member I would love to be involved in bringing some long term strategic planning and ideas to the club. I hope I can count on your vote in April.

Yours truly,

Jake Hower

Kings Country Club Members

My name is Bill Landis and I am asking for your support in the upcoming election to the Kings Country Club Board. I joined Kings Country Club in 1976. This past year I have had the pleasure of being the Chairman of the Greens Committee, working with fellow committee members and Paul Wightman and Greens Superintendent Joey Elias. Besides the normal maintenance, we have improved the care of the greens and tree care along with changing some bunkers. One of our future major projects is to remove the sand from the green side bunkers, clean the drains and put new sand in to match the ninth green.

Once again I am asking for your vote in the upcoming election.

A handwritten signature in cursive script that reads "Bill Landis". The signature is written in black ink and is positioned above the printed name.

Bill Landis

Kings Country Club Members,

I am seeking your support for (re)election to a position on the Board of Directors of Kings Country Club. I first joined the club in spring of 1998. It's been my great pleasure and privilege to be associated with our local private club both as a member and for the past year sitting on the Board of Directors, serving our membership.

I have been in the construction industry for the last 22 years since majoring in construction management at Cal Poly, San Luis Obispo. I've been blessed to hold many management positions with my most recent as VP of Operations.

Over the course of my career I've managed up to 45 employees, negotiated contracts and maintained budgets in the excess of \$20M. Along the way, I've held positions on 6 different boards, including this one at Kings Country Club.

During the past year, I have had the opportunity to work with the current board as well meet many of our past board members. I understand the difficulty and challenges that board members face and I'm ready to take on the responsibility once again in order to make our club the best it can be.

I would be honored to serve you again. I appreciate your consideration and support.

Best regards,

Joshua B. Pearson
