

Fellow Country Club Members,

My name is Karl Anderson and I would like to ask for your support in the upcoming election to serve as a Board Member. I enjoy participating in leadership roles in organizations I am associated with. I am an active, engaged and visible member of our Community and Club.

I have the time, ability and drive to participate and be a part of the board for our great country club. I have worked in Law Enforcement for 24 years, I have a Bachelors and Master Degree in criminal justice and an MBA in Corporate Finance. I know my work experience and education would be a valuable asset to our organization. I would be honored and humbled to have your support.

Karl

**KINGS COUNTRY CLUB BOARD OF DIRECTORS
RÉSUMÉ
VERONICA MILLER**

Hello fellow members, after giving some considerable thought I have decided to run for an open position on the Board of Directors. I am retired and able to commit both time and energy to this responsibility which I take very seriously.

2020 was a challenging and unprecedented year for us. We survived the business challenges Covid-19 presented. We were flexible, responsible, practical and compliant. We had an understanding membership and there is no doubt Kings Country Club is stronger because of your help through this past year.

Some courses in the valley had to assess their members to get through the year. Another course is assessing their membership on a quarterly basis until they become fully operational again. Although we still face some uncertainty over Covid-19, we are confident we will be prepared to make the best of any situation and provide the best service to accommodate our members.

There is an old business matter I would like to see through completion. It involves some land adjacent to our property. We have been in negotiations with the land owner and things are still being worked through.

We are fortunate to have a beautiful golf course and club house. We still have the lowest dues in the valley.

I humbly ask for your vote.

Thank you,

Veronica Miller

KEN STOPPENBRINK

EXPERIENCE:

Dear members I am seeking your support for a position on the Board of Directors of the Kings Country Club. I joined the club in 2011 and have enjoyed the benefits of a private club that Kings offers.

I served as a Director of Human Resources for 24 years of which 16 years was in the health care industry and 8 years in the Community College System. I served as the Chief Business Office since 2004 for the West Hills Community College District, in January of 2019 I retired.

My responsibility over my career ranges from contract negotiations; budgets; policy development; risk management; health insurance administration; bond campaigns; and other administrative responsibilities.

I have served on and currently serve on several JPA boards in the State for self-insured liability and workers compensation, as well as retirement boards. I have been serving on the planning commission in Coalinga for 18 years, served 4 years as a board member for the District Hospital; 2 years as the Chamber of Commerce Board Chair; and twice served as president of the Rotary Club.

My education background includes a B.S. in Finance from Chico State and a M.B.A in e-Business from the University of Phoenix.

I believe my administrative background and participation in various boards over the years would be an asset that our club would benefit from.

Thank you for your support and consideration.
