

NCGA TEAM MATCH PLAY PROGRAM

FORMAT

Kings Country Club will again have a Thursday team for 2021. We need 20 to 30 players to participate.

CLUB PAIRINGS: Participating clubs are normally clustered together in groups of four (occasionally three) based on club compatibility with geographical considerations of secondary importance. Each club then plays a home and home match with the other clubs in their respective groups during a "regular season." Group winners participate in a series of single elimination matches to determine the two clubs who meet for the championship of the Thursday Leagues. (Kings will be paired with San Joaquin C.C, Sunnyside C.C. and Fort Washington C.C)

MATCH PAIRINGS: The 12 players from each club are paired in current index sequence from low to high including the two man teams with the lowest index player listed first. Players with a current index higher than 18.4 may play in any match but must play to an 18.4 in the match.

FORMAT AND SCORING: The six two-man teams of each club compete against each other in three simultaneous matches (2 individual and 1 better ball). The winner of each match earns 2 points for his club. One point is awarded to each club for each tie that may result in any of the three matches.

THURSDAY SEASON: June 3rd – August 14th, 2021
